Dear Sharon,

Request for Shire CEO Jonathan Throssell to address our Association

I contacted Mr. Throssell's office 10 days ago inviting him to attend next month's meeting of our Association. I was told that he had a meeting that night. I suggested the following month but was given the same response. I then suggested that he let us know when he could attend and get back to us so that we could arrange a venue. I have heard nothing from his office since then.

Since the Shire is currently seeking ways to improve communication with residents Associations this doesn't seem to be a very good start. I know you feel that good communication is long overdue and would therefore be obliged if you could take this matter up on our behalf.

Yours sincerely,

Mike Davies
