Dear Donna,

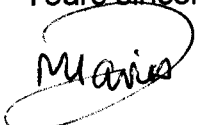

## **Re: meeting with Shadow Ministers for Planning and Health**

I am writing to thank you for organising the meeting last Thursday with Simon O'Brien and Kim Hames in order to discuss both the future urbanisation of the Hills and the impact that would have on the existing shortage of doctors and nurses.

It was most gratifying that our view that the Hills should be declared an area of special significance, and be afforded legal protection similar to that enjoyed by the Adelaide Hills, was given such a favourable response.

I would like to thank you for your interest and support on behalf of our members.

Yours sincerely,

Mike Davies
