Dear Mr. Donohoe,

## **Re: legal protection for the Perth Hills**

I apologise for the delay in updating you on the above issue. As a voluntary organisation our human resources have been fully occupied in recent months, however I can now report that we are making excellent headway in this area.

As a result of recent extensive discussions I'm pleased to inform you that we have the necessary political support to present a Green Bill to Parliament in a few months time. This will be a good way of drawing attention to this issue and stimulating feedback.

As part of our programme of raising awareness we have produced a PowerPoint presentation that explains the motivation behind this process and why we believe it is worthwhile. This has been very well received and we would be happy to present this to the Council or one of its Committees if that is considered appropriate. We will also be producing a short DVD that will summarise our campaign.

I would like to offer my thanks once again for the Council's 'in principle' support.

Yours sincerely,

Mike Davies
