LOWER HELENA VALLEY DN1000 WATER DISTRIBUTION MAIN

The Water Corporation's Engineering and Construction Services Branch are carrying out the construction of the Lower Helena Valley DN1000 Water Distribution Main, as per the attached locality plan. Construction is scheduled to take place from mid October 2005 through to June 2006.

We aim to minimise inconvenience to local residents. If you have any enquiries concerning this matter, please feel free to contact our Supervising Foreman, Sid Hankinson on 0417 938 256 (ON LEAVE NOT AVAILABLE)

Your understanding and cooperation will be greatly appreciated.

Yours faithfully

**Michael Brunton
